From immigrant to six-figure CEO who broke the language and business barriers by providing language services and business coaching while MPowering others to achieve their entrepreneurial and business goals.

Hello and Welcome! ¡Hola y Bienvenidos!

23 years
WORK EXPERIENCE

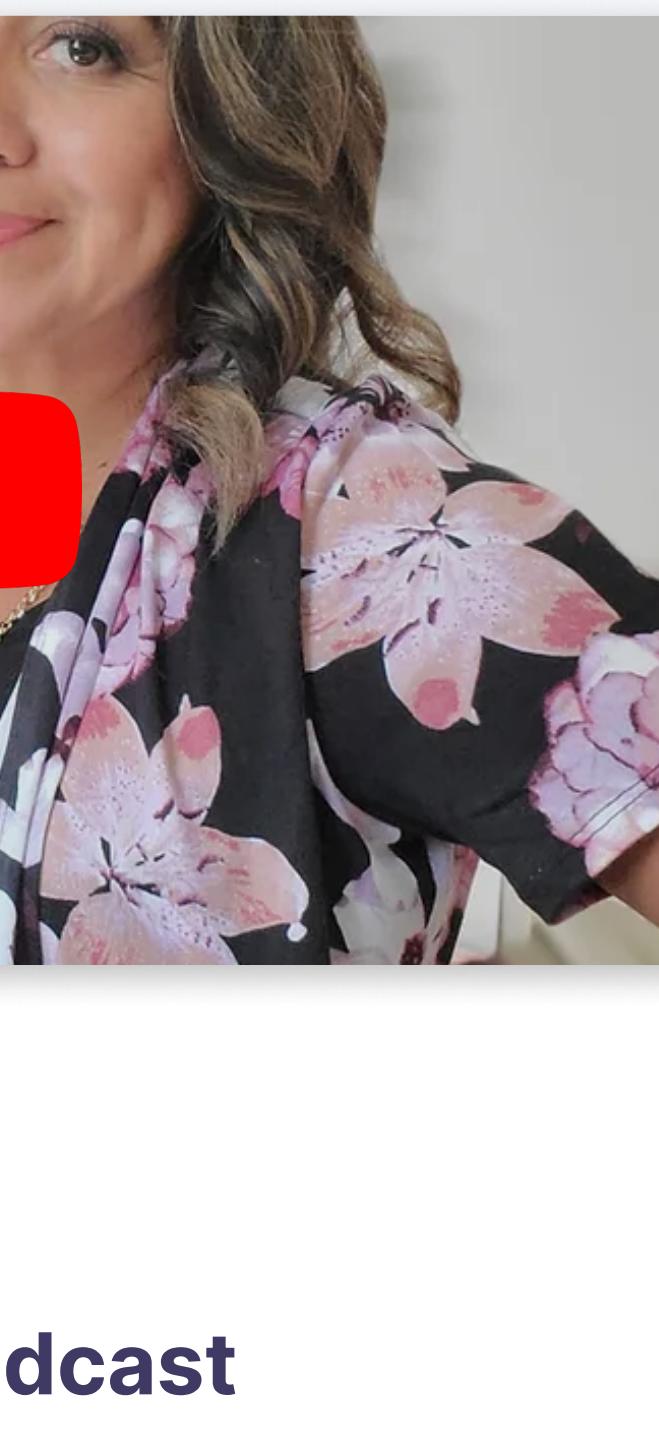

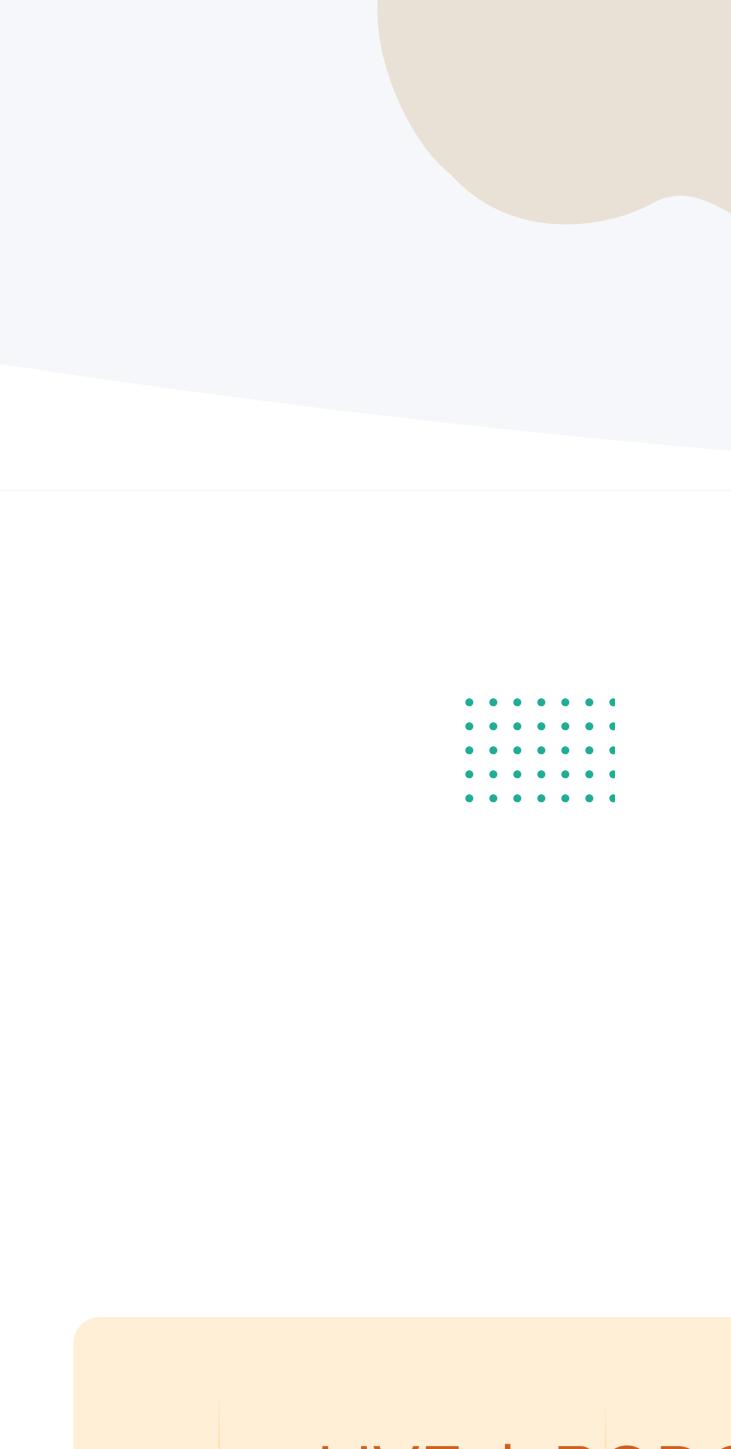

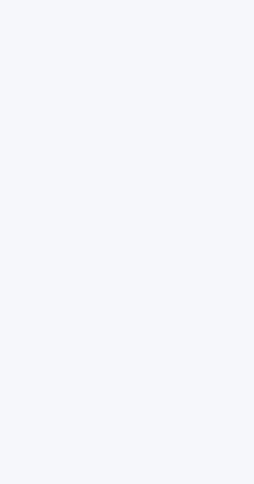

I'm Faviola, your professional Spanish Interpreter, Translator, Interpreter Trainer, Entrepreneur, and former Chief Executive Officer (CEO). I'm a Wife, Mother [Navy Mom] with a love of life, my family, wine, traveling, and the outdoors.

In 2000, I took the leap of faith and started my own business and went from an unknown immigrant to six-figure CEO. A self-trained, self-starter Entrepreneur, who built a Corporate Language agency working with small to Fortune 500 businesses across all business sectors.

Since the inception of my business, I've also trained and helped aspiring bilingual and skilled individuals start and grow their own businesses.

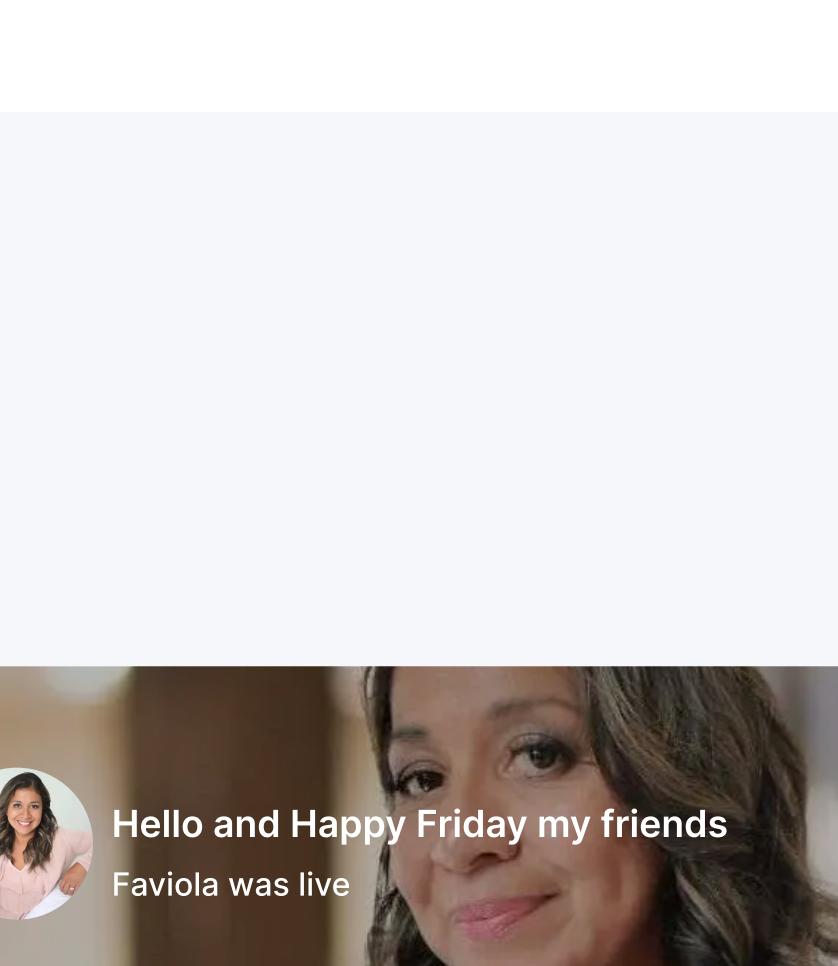

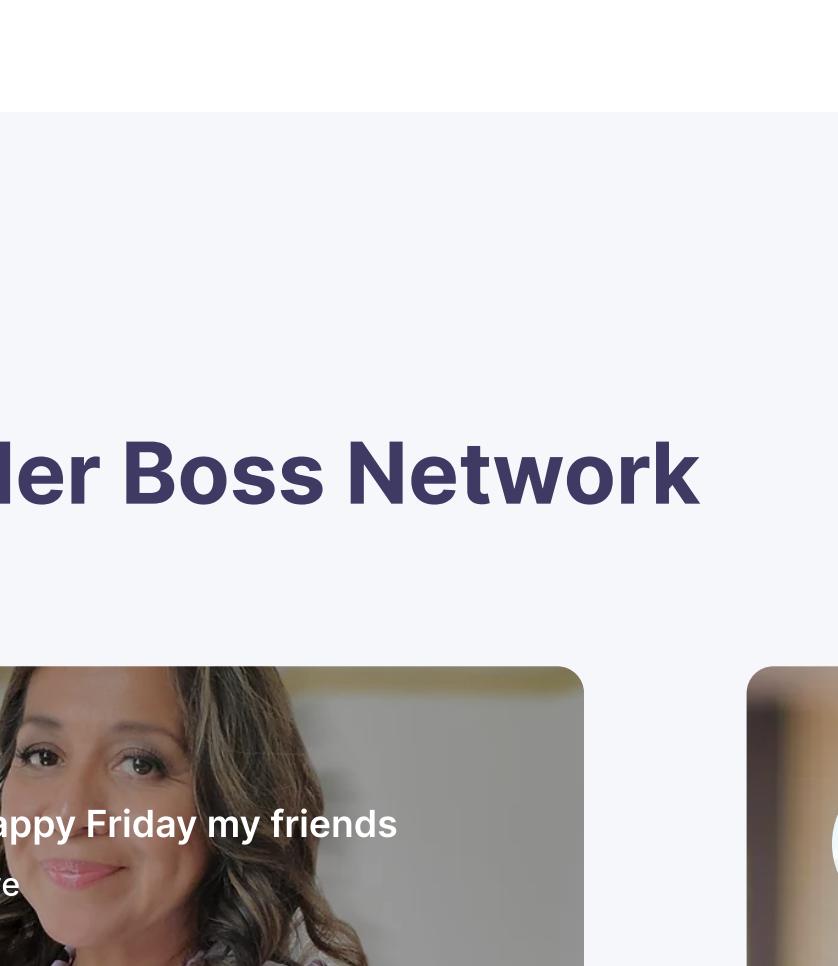

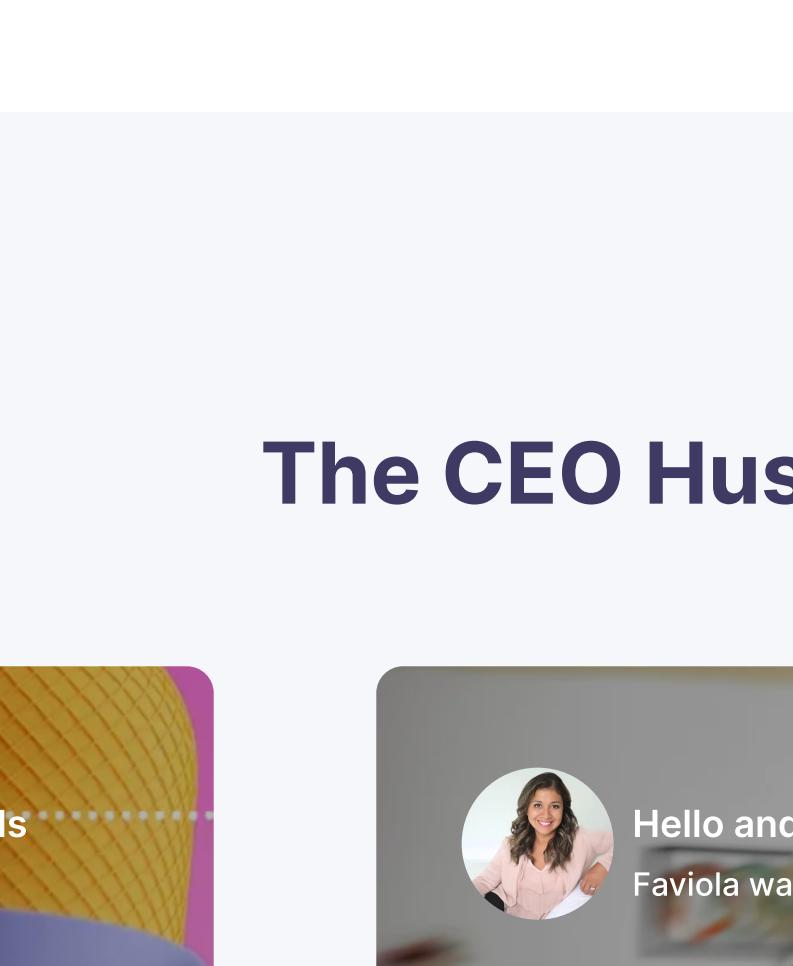

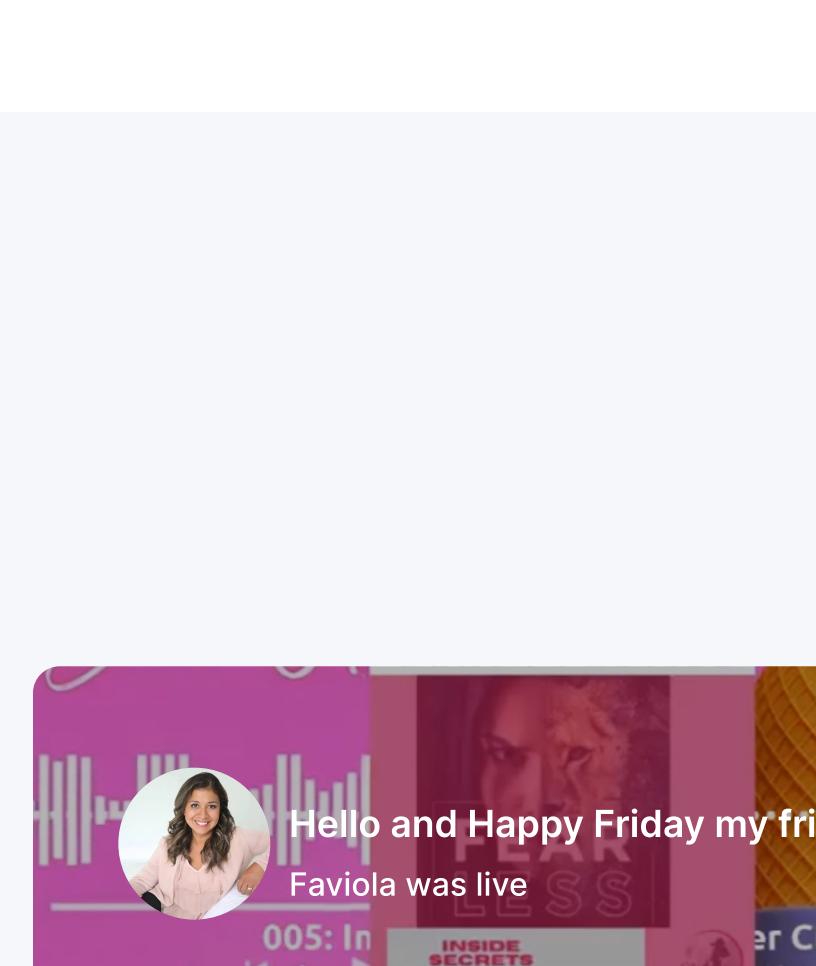

Today, I'm still doing what I love interpreting and helping others achieve their goals and dreams, and build incredible businesses using their skills, just like I did.
